RESOLUTION 2019-185
"SCHEDULE A"

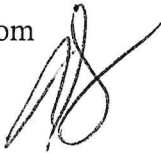

October 15, 2019

Mayor & Council

Attached, please find a price I requested from Barrett Paving for the completion of Riverside Avenue Paving. Basically, when the repaving work of portions of Riverside Avenue were recently completed, it became obvious that the entire road should have been included in the 2019 road program. The price is very good and the work is not only warranted to repair the road, but it is also something that will help the township with the goal of creating "complete streets" when paving in various locations.

I hope the governing body can consider this as a change order for the road program and will allow me to move ahead in securing the work this Fall.
